This letter is sent to confirm our conversation on November 19, 2001 concerning the above referenced committee and a letter from your office dated November 15, 2001. This letter indicated that there had been no response to an earlier letter dated October 23, 2001. Copies of the correspondence are enclosed.

In fact, as we discussed, we had fully responded to the earlier letter including the filing of an amendment to the report on November 2, 2001. You indicated that the FEC had not received any mail for a period of time, and it was likely that the amendment would be received in your office soon. You also confirmed that we have also electronically filed an amendment to this committee's Statement of Organization listing Imperial Bank as a depository.

Under these circumstances, we would request that the letter dated November 15, 2001 be removed from the public record as sent in error by your office.

Please contact me directly if you have any other questions regarding the Committee's report or our request.
